Aristotle's Theory of Language and Meaning

Graziosi, M. 2001. This is a book about Aristotle's philosophy of language, interpreted as a framework that provides a comprehensive interpretation of Aristotle's metaphysics, philosophy of language, epistemology and science. The book is an attempt to explore the implications of Aristotle's theory of language in his various works, as well as to assess the potential of his ideas for contemporary philosophical debates.

Aristotle's Theory of Language and His Traditions (in Greek) 1980-1991 (vol. 1) This volume contains a collection of essays by Aristotle's "commentators" (i.e., writers who have interpreted and commented on Aristotle's work). The essays range from traditional to modern interpretations, and the contributions span a range of topics, including language, epistemology, metaphysics, and ethics.
